Notice

Dear Teachers

- It has come to my notice that many students are not attending the on-line classes. Ring to their and ask for cooperation in this regard.
- Speed up the syllabus but make your lesson so interesting that each one of your class should attend the zoom class.
- Tell them that if they work regularly and sincerely all the year, there is no need to feel nervous about examination.

House Coordinator

Tell House Masters and class teachers and House Captains about the coming Saturday Activity

Maximum Participation should be there.

It is well-known fact that the modern child lacks the sense of discipline. Now it is the responsibility of teachers to create good qualities and make him/her a good human-being. So moral talk of five minutes should be given every day before starting your lesson.
